

DIRECTIONS TO NAVY DRUG AND ALCOHOL COUNSELOR SCHOOL (NDACS)

To obtain a map of the Naval Base Pt. Loma vicinity from an internet map webpage, the intersection of Rosecrans Street and Strothe Road, San Diego, CA 92106 will identify the location of the main gate.

If arriving by Air to Lindbergh Field (San Diego International Airport); unfortunately no duty driver is available to pick up NDACS students at the airport. The following taxicabs are allowed to enter the Naval Base Pt. Loma depending on the driver's access to get on base. **MAKE SURE TO ASK THE DRIVER IF HE/SHE CAN DRIVE ON THE BASE.**

YELLOW CAB

QUEST CAB

ERITREAN CAB

MAIPU CAB

PANOK CAB

ARRIBA CAB

DK CAB

The most convenient and efficient means of ground transportation to NDACS is by taxi to the front gate (Rosecrans Street and Strothe Road). Be sure you direct the driver to the Naval Base at the end of Rosecrans Street and not the ASW base which is very close to the airport. NDACS is located in Building 500 across from the Autoport Gas Station which is a few hundred feet past the end of the bus route.

If arriving by POV, there are three primary routes that will bring you into San Diego - Interstates 5, 8, or 15. *Locate the route you'll be arriving on below and follow the directions to Navy Drug and Alcohol Counselor School (NDACS).

***Interstate 5** will come into San Diego along the coast from the north. It will intersect with I-8 in the San Diego general vicinity, at the intersection of the freeways there will be a Rosecrans Street exit off of the I-8 east off ramp (right lane). Proceed on Rosecrans Street until you come to the Naval Submarine Base main gate (approximately 5 miles). After passing through the front gate, continue another three-fourths of a mile until you see the Autoport Gas Station on your right hand side. NDACS is located in Building 500 across from Autoport (Rosecrans & White). If you need to check in to the CBH, turn left at the Autoport (Kerrick Road) and follow the street until it makes a turn to the right and you'll see Building 601 which is where the check in desk is located.

***Interstate 8** will come into San Diego from the east and will intersect with I-5 once you get close to the coast. Look for the I-5 south/Rosecrans Street off ramp remaining on the Rosecrans Street exit. Proceed on Rosecrans Street until you come to the Naval Submarine Base main gate (approximately 5 miles). After passing through the front gate, continue another three-fourths of a mile until you see the Autoport Gas Station on your right hand side. NDACS is located in Building 500 across from Autoport (Rosecrans & White). If you need to check in to the CBH, turn left at the Autoport (Kerrick Road) and follow the street until it makes a turn to the right and you'll see Building 601 which is where the check in desk is located.

***Interstate 15** will come into San Diego from the northeast. Just past the Miramar Marine Corp Air Station, I-15 will split with State Route 163 (remain on the right side of the freeway). A shortcut is to take Route 163 to I-8 west. I-8 will intersect with I-5 once you get close to the coast. Look for the I-5 south/Rosecrans Street off ramp remaining on the Rosecrans Street exit. Proceed on Rosecrans Street until you come to the Naval Submarine Base main gate (approximately 5 miles). After passing through the front gate, continue another three-fourths of a mile until you see the Autoport Gas Station on your right hand side. NDACS is located in Building 500 across from the Autoport (Rosecrans & White). If you need to check in to the CBH, turn left at the Autoport (Kerrick Road) and follow the street until it makes a turn to the right and you'll see Building 601 which is where the check in desk is located.
